TO: Superintendents and Textbook Adoption Committee Chairs

FROM: Schauna Findlay, Ph.D., Director of Curriculum and Instruction

DATE: February 4, 2011

SUBJECT: Mathematics Textbook Adoption Update

Following the January 11, 2011, meeting of the Textbook Advisory Commission, the Department of Education prematurely released a preliminary list of recommendations and potential actions related to the adoption of additional mathematics textbooks aligned with the Common Core State Standards. Schools should not rely on the list. We will post a final adoption list following the March 2, 2011, State Board of Education meeting. We apologize for any confusion or inconvenience.

The final decisions and recommendations will be found at www.doe.in.gov/opd/textbook.
